**FEDERAL INVESTIGATION:
REQUEST FOR POSITION STATEMENT
AND SUPPORTING DOCUMENTARY EVIDENCE**

The EEOC hereby requests that your organization submit within 30 days a Position Statement setting forth all facts which pertain to the allegations in the charge of discrimination under investigation, as well as any other facts which you deem relevant for the EEOC's consideration.

We recommend you review the EEOC's resource guide on "[Effective Position Statements](#)" as you prepare your response to this request.

Fact-Based Position Statement

This is your opportunity to raise any and all defenses, legal or factual, in response to each of the allegations of the charge. The position statement should set forth all of the facts relevant to respond to the allegations in the charge, as well as any other facts the Respondent deems pertinent to the EEOC's consideration. The position statement should only refer to, but not identify, information that the Respondent asserts is sensitive medical information, or confidential commercial or financial information.

The EEOC also requests that you submit all documentary evidence you believe is responsive to the allegations of the charge. If you submit only an advocacy statement, unsupported by documentary evidence, the EEOC may conclude that Respondent has no evidence to support its defense to the allegations of the charge.

The EEOC may release your position statement and non-confidential attachments to the Charging Party and their representative and allow them to respond to enable the EEOC to assess the credibility of the information provided by both parties. It is in the Respondent's interest to provide an effective position statement that focuses on the facts. The EEOC will not release the Charging Party's response, if any, to the Respondent.

If no response is received to this request, the EEOC may proceed directly to a determination on the merits of the charge based on the information at its disposal.

Signed by an Authorized Representative

The Position Statement should be signed by an officer, agent, or representative of Respondent authorized to speak officially on its behalf in this federal investigation.

Segregate Confidential Information into Separately Designated Attachments

If you rely on confidential medical or commercial information in the position statement, you should provide such information in separate attachments to the position statement labeled "Sensitive Medical Information," "Confidential Commercial or Financial Information," or "Trade Secret Information" as applicable. Provide an explanation justifying the confidential nature of the information contained in the attachments. Medical information about the Charging Party is not sensitive or confidential medical information in relation to the EEOC's investigation.

Segregate the following information into separate attachments and designate them as follows:

- a. Sensitive medical information, except the Charging Party's medical information
- b. Social Security Numbers
- c. Confidential commercial or financial information
- d. Trade secrets information
- e. Non-relevant personally identifiable information of witnesses, comparators or third parties, for example, social security numbers, dates of birth in non-age cases, home addresses, personal phone numbers and email addresses, etc.
- f. Any reference to charges filed against the Respondent by other charging parties

Requests for an Extension

If Respondent believes it requires additional time to respond, it must, at the *earliest possible time* in advance of the due date, make a written request for extension, explain why an extension is necessary, and specify the amount of additional time needed to reply. Submitting a written request for extension of time does not automatically extend the deadline for providing the position statement.

Upload the Position Statement and Attachments into the Respondent Portal

You can upload your position statement and attachments into the Respondent Portal using the + **Upload Documents** button. Select the "Position Statement" Document Type and click the **Save Upload** button to send the Position Statement and attachments to EEOC. Once the Position Statement has been submitted, you will not be able to retract it via the Portal.
